

# Zutron Medical would like to introduce the all new **Valve Purse**

- **Valve Purse**  
Addresses standards and guidelines stating valves should stay with scope throughout use, reprocessing, and storage.
- **Easy to use**  
Simply load the Valve Purse and attach to scope.
- **Design**  
Open design allows High Level Disinfectant to readily pass through.
- **Single use**  
Pull tab on side of the Valve Purse for easy removal of valves.
- **Order # ZUTR50532**  
100 per case
